Dear Ms. Coats,

On behalf of the Livingston Board of Education and the administration of Livingston Public Schools, I write to acknowledge the success of this year's Summer Reading Program for children in Preschool through Grade 5.

With over 700 children registered, your creative and challenging program, *A Universe of Stories*, at the Livingston Public Library this summer put books in the hands of children, and that is just where we want them!

It is wonderful seeing so many youngsters keep up their reading over the summer and taking advantage of your wonderful presentations, performances, and book discussions. Access to books and library programs over the summer results in more reading which, in turn, results in improved reading skills. Your efforts are helping children stay academically sharp for the next school year. We very much appreciate your partnership in the education of Livingston students.

Livingston Public Schools looks forward to these readers returning to their classrooms in September. Together, we will continue to work together to foster a love of reading. The Board of Education and I thank you for your efforts on behalf of Livingston students.

Very truly yours,

Matthew J. Block, Ed.D.
