## Library Mad Libs

Have fun filling in this story for a few laughs!

---

Today I walked into the [adjective] Livingston Public Library. I couldn't believe how many good [plural noun] I had to choose from! Would I choose the latest [noun] or perhaps the classic [noun]. Not to mention the DVD's! Movie night never looked so [adjective]! I grabbed [number] DVD's from the shelf and [number] books. As I [adverb] across the building, [name] happened to greet me. They reminded me of all the great digital resources the library offers. "[exclamation]" I said. The Library is my [adjective] place.
